Summit Range

The Summit Exhibition Range incorporates the highest level of practicality at the most affordable price. Its easy set up is attributed to its pop-up element for the backdrop walls, which requires only a single person to assemble. The L-Shape and U-Shape exhibition booths can be easily created with a simple hook component to join several displays into one. The Summit Range also includes additional elements to bring more life and purpose to an exhibition booth. From kidney shaped counters, brochure stands, overhead LED lights to pull-up banners, this range provides options for a simple, yet effective, solution to kickstart any exhibition booth.

Ideal For:

- Entry-level exhibitors
- One-man show set ups
- Exhibitors that desire a quick set up solution

Benefits:

- Quick and easy set ups
- Easy on the pocket
- Lightweight

Grand Range

The Grand Exhibition Range caters for an experienced exhibitor looking to give their booth a neat and sharp-edged aesthetic. The backdrop frames are made from industrial quality aluminium that ensures a sturdy stance, accompanied by the elasticated backdrop fabric that stretches to create an immaculate and professional presentation. This is further enhanced by additional accessories, such as the square shaped counter, that keep the consistent sharp look to make the booth an instant eye-catcher. The L-Shape and U-Shape booths are simply created using screws to connect the frames together to make a clean-cut corner.

Ideal For:

- Experienced exhibitors
- Exhibitors wanting to create a professional look
- Exhibitors looking for a premium look and feel

Benefits:

- Premium finish
- Rigid and stable
- Strong and durable

Prestige Range

The Prestige Exhibition Range embodies a sleek and elegant attraction with its slim, round-edged design and wrinkle-free stretch fabric. The backdrop uses minimal floor space in the booth to make room for additional accessories, such as the kidney shaped counter, that coincides with the smooth, circular finish of the setup. The backdrops are easy to set up by a single person, with simple clip-in aluminium components for the frame and a fabric that slips over with no hassle. This kit is the ultimate package to impress and exceed expectations at any exhibition.

Ideal For:

- Professional exhibitors
- Exhibitors requiring a quick set up
- A booth that requires great utilisation of space

Benefits:

- Quick set up
- Light and easy to set up
- Minimal floor space utilization
